

At the University of Kabwe, we are steadfast in our pursuit to offer a robust educational platform that is aligned with global standards, seamlessly integrating cutting-edge research and hands-on experience. This commitment is mirrored in our diverse array of programs which are meticulously crafted to meet the demands of the ever-evolving global landscape. We believe in nurturing not just academically proficient individuals but leaders who are equipped to make a tangible impact in their respective fields. Our faculty, seasoned with experience and expertise, stands as a backbone providing unparalleled guidance and mentorship to our students.

Core Values

- Integrity
- Excellence
- Innovation
- Accountability
- Community Engagement
- Professionalism

At UniKa we believe education must be practical, ethical and impactful.

We prepare students not just to graduate, but to lead, innovate and transform society.

Vision

To be a recognized, credible and innovative university producing competent, ethical and skilled graduates for national and global development.

Mission

To provide quality higher education, research and community engagement through innovative teaching, accredited programmes and ethical leadership.

Motto

Dream it. Learn it.
